

I strongly urge you to leave the Wisconsin No Call List as it is and protect the consumer and our privacy by not having telemarketers continuously bother us with trying to get our business rather than allow us to contact them if we so choose to deal with them. Telemarket calls take away from previous family and meal time that is so much needed today . Please do not allow telemarketers take over the consumer's rights. Instead, we need our NO CALL LIST to remain as it is. Thank you for keeping the NO CALL LIST as it is here in Wisconsin.

Sincerely,  
S.J. Werner
